CHAMBER OF COMMERCE SECRETARY REPORTS A YEAR OF SUCCESS

Much of the work of the Chamber of Commerce for the past year is shown in the following partial reproduction of Secretary James Gordon Spencer's report, read at the annual meeting yesterday afternoon:

"The last annual meeting was held August 13th, 1902.

The Chamber has lost by death, Paul Isenberg, Joseph B. Atherton, William W. Dimond and Samuel C. Allen.

Honorable George R. Carter resigned on accepting appointment as Secretary of the Territory.

Seven new members have been elected as follows: J. T. Crawley, representing Hawaiian Fertilizer Co., J. A. McCandless, representing McCandless Bros., E. E. Paxton, representing B. F. Dillingham Co., G. P. Denison, representing Oahu Railway & Land Co., C. Hedemann, representing Honolulu Iron Works, and F. L. Waldron.

Five members have been elected to fill vacancies: A. Gartenberg, for Grinnham & Co., J. A. Kennedy for Inter-Island Steam Navigation Co., E. D. Tenney, for Castle & Cooke, J. R. Galt, for the Hawaiian Trust Co., and E. A. Berndt, for W. W. Dimond & Co.

E. R. Stackable, as Collector of Customs, became an Honorary Member under an amendment to the by-laws. The joint committee of this Chamber and the Merchants' Association on Fire Claims, reported in August last, that J. G. Pratt, who visited Washington as delegate, had been paid for salary, transportation and expenses, the sum of \$3,016.00; the committee having raised \$4,090.00, there remained in its hands \$1,074.00. The committee was continued, and again, Mr. Pratt was engaged to visit Washington, in the interests of the Fire Claims legislation.

The San Francisco Chamber of Commerce was notified of the appointment, and asked to use its influence with its correspondents in the East, towards favorable legislation. A reply was received promising cooperation. The final report of the committee has not yet been submitted.

During the visit of the Senate Subcommittee on Pacific Islands and Porto Rico, the Chamber prepared a statement, which was presented to the committee.

The matter of storage of explosives was taken up with the High Sheriff, who said the laws were sufficiently explicit, and would be carried out.

As a result of reported misstatements by Delegate Wilcox regarding the management of the Board of Health, resolutions were passed expressing confidence and a copy sent to the Board, and one to Senator Mitchell of the Senate Subcommittee.

Propositions for advertising the Territory, and applications for tourist agents, have been placed in the hands of a Joint Tourist Committee of five. The effort to secure funds to carry out the work from the collection of wharfage charges, has resulted in the receipt of \$9000 from the Shippers' Wharf Committee, which has been turned over to the Joint Tourist Committee by vote of the Chamber. In addition, the Legislature appropriated the sum of \$15,000.

Cablegrams signed by the Chamber of Commerce, Merchants' Association and Builders and Traders' Exchange, were forwarded to the Senate Committee on Pacific Islands and the Chairman of the House Committee on Territories, in Congress, through Commissioner Haywood, asking that action in Congress concerning leper settlement and land laws be deferred until memorials could be submitted. Later, memorials were prepared and forwarded.

The Quarantine Wharf Committee reported in January, that the balance due Castle & Cooke, for money advanced for quarantine wharf expenses, amounting to over \$8000 and interest, had been paid out of receipts of wharfage collections.

In January Mr. Haywood was reappointed Commissioner for the Chamber at Washington for 1903.

On the occasion of the opening of the Pacific Commercial Cable this Chamber participated in the exercises.

At request of Republican Central Committee a committee on legislation was appointed.

Communications requesting the participation of Hawaii in the Lewis and Clark Centennial Exposition were referred to the Exposition Association.

In March, a letter was sent to President Roosevelt, recommending Hugh Craig as a member of the Isthmian Canal Commission; an acknowledgment was received from Secretary Hay.

A committee urged the passage of the bill granting a franchise to the Standard Telephone Co.

Resolutions were sent to the Senate and House of the Territory:

That payment of salaries to the Board of Health, is most undesirable.

That the Chamber does not approve of the acquiring of Kaimuki Water Works or Springs in Pauoa by the Government.

That the Chamber favors the City and County of Honolulu bill.

Resolutions were sent to Senate and House favoring appropriation for advertising Hawaii; recommending appropriations for the Board of Health, and endorsing recommendations of the Public Works for appropriation of \$400,000 for wharves.

On the occasion of President Roosevelt's visit to San Francisco a congratulatory cablegram was sent.

The Secretary of the Territory requested information from this Chamber on subjects named by Commissioner Sargent for submission to Secretary Cortelyou, and the matter is now in the hands of a committee appointed to compile the same.

A resolution drafted by a committee recommending that Honolulu be made a port of call for transports was forwarded to the Secretary of War.
